

HRITIK ANAND

B.Tech (Computer Science & Information Technology) | REVA University
Phone: 7483824723 | Email: hritik110607@gmail.com

Career Objective

Enthusiastic first-year engineering student with interests in programming, software development, IoT, AI, and Machine Learning. Seeking opportunities to apply technical skills through projects and internships.

Education

REVA University
B.Tech in Computer Science and Information Technology
Currently in First Year (2nd Semester)

Technical Skills

- C Programming
- Python Programming
- Data Structures & Algorithms
- Git & GitHub
- Basic Machine Learning
- Data Science Fundamentals
- IoT Fundamentals

Projects

- 2D Graphics Editor in C Programming
- Employee Salary Prediction System using Python and Machine Learning
- Line Follower Robot (IoT Project) – Designed and developed an autonomous robot capable of detecting and following a predefined path using sensors and microcontroller-based control.

Certifications

- IBM Certification – Python for Data Science
- Wadhvani Entrepreneurship Course Certification

Hobbies & Interests

- Coding and Problem Solving
- Learning New Technologies
- Exploring AI and Machine Learning
- GitHub Projects
- Robotics and IoT
